MISSISSIPPI STATE UNIVERSITY RECRUITMENT MODULE CLOSING A JOB

CLOSING A JOB

Closing a job using the following steps will ensure that:

- Any open sourcing channels are closed (e.g. If your job is being advertised on the website or intranet, the ad will come down).
- Your job will move from a Current Job status into a Non-current job status.
- Your job will no longer appear on your Dashboard.

NOTE: Please be aware that once a job has been closed, applicants can no longer apply for that job (unless you invite them). When closing a job, sourcing information is removed and prevents a job from being advertised.

• Select "Manage Jobs" from the "Hamburger View". From the "Manage Jobs" view, you can see all requisitions (PARFs) to which you are assigned.
