2014 Open Enrollment Information and Resources October 1 – 27

Benefits Open Enrollment will be held from **October 1 through October 27, 2014**. During the Open Enrollment period, employees may add new coverage, change existing coverage, or cancel coverage. All Open Enrollment elections are effective on January 1, 2015. Online Open Enrollment instructions are provided on page two. Employees who do not have internet service or do not use computers may schedule an appointment in the Department of Human Resources Management Benefits Office for assistance in completing open enrollment.

If you do not want to make changes, your benefits will automatically roll over for 2015 and no action is required to remain enrolled in coverage. You do not need to participate in open enrollment.

Important Deadlines

All online elections must be completed by Monday, October 27, and all completed application forms must be received in HRM by Friday, October 31 to be effective for 2015.

Login to MyBanner to begin the process of making changes to existing insurance or flexible spending account plans. Step-by-step instructions for online open enrollment are provided on the following pages.

Most product and premium information may be accessed in Online Open Enrollment. If you are currently participating in a product that you are unable to access in Online Open Enrollment, please contact the Benefits Office in HRM for assistance. Pages four and five of this document include important product updates.

Completed forms are required for products according to the instructions provided online; completed application forms must be received in HRM by Friday, October 31, 2014. Online changes will not become effective unless your completed application is received by the deadline. All forms are available through Online Open Enrollment or the HRM Web site under forms. If there are any differences between your Online Open Enrollment entry and your completed application, the application is controlling and voids your online entry.

HRM WEBSITE

The HRM Web site, www.hrm.msstate.edu, provides all open enrollment product information, premiums, and application forms. On the HRM Web site, click "Benefits," then click your product under options listed on the right. All forms are provided under each Benefit. If you are currently participating in a product that you are unable to access from the Web site, please contact the Benefits Office in HRM for assistance.

All application forms must be returned to HRM no later than Friday, October 31, 2014.

What if I Don't Want to Make Any Changes?

Your benefits will automatically roll over for 2015, unless you make changes during open enrollment.

The next opportunity to change your coverage is during next year's open enrollment period – unless you experience a family status change. If you experience a family status change (such as birth, a change in marital status, or new employment), you have 60 days from the date of the family status change to make benefits changes. Additional information about family status changes may be found on the HRM Web site: www.hrm.msstate.edu, by clicking Benefits and then Insurance. If you need to make a change to your Benefits due to a family status change or need additional information, please contact Human Resources within 60 days of the date of the family status change for assistance.

Who is Eligible for Coverage?

A Benefits-eligible employee is 50% time or greater with employment expected to continue for more than 4.5 months. Dependents and/or family members eligible for coverage include legal spouse or dependent children. Dependent children may enroll with one primary enrollee and are eligible to age 26 regardless of student or marital status.

When Will Coverage Begin?

Your coverage will begin January 1, 2015 for State and School Employees' Health Plan, Dental, Vision, Cancer plan, Hospital Intensive Care, Long Term Disability, Term Life Insurance, and Accidental Death and Dismemberment. Premium deductions will begin in December, 2014.

Coverage for the State and School Employees' Life Plan and Long Term Care will become effective upon approval of the insurance carrier. "Catch up" premiums may be required depending on the effective date of approval.

PRE-TAX BENEFIT PLAN

The university offers a pre-tax benefit plan, which gives you the opportunity to pay for certain benefits deductions with pre-tax dollars rather than after-tax dollars. This may help you realize both a larger take-home paycheck and lower total tax liability at the end of the year. Insurance premiums which may be tax sheltered under the pre-tax benefit plan are:

- State and School Employees' Health Insurance Plan
- Cancer/Specified Disease/Critical Illness
- Dental Insurance
- State and School Employees' Life Insurance Plan
- Accidental Death and Dismemberment
- Vision Care Insurance
- Hospital Intensive Care

If you elect the pre-tax benefit option, you may not change the amount of the monthly deductions during the plan year (January through December), unless you experience a family status change and make your change within 60 days of your qualifying event.

Since the plan reduces reportable taxable income, you may incur a reduced Social Security benefit at the time of retirement. The extent of this reduction depends on both the length of time under the pre-tax benefit plan and the total amount of tax reductions.

Plan Premium Payments: Your Responsibility and University Contributions

The University Pays Part of the Premium for State and School Employees' Life and Health Plans.

Please watch your mail for the newsletter entitled, **Know Your Benefits**. This newsletter will contain plan information for 2015, and it will be mailed to your home address on file with Blue Cross/Blue Shield of Mississippi. Information about premium rates may be found online, <http://www.hrm.msstate.edu/benefits/insurance/statehealth/>

You Pay the Premium For: Dental (Delta Dental), Vision (Davis Vision), Long Term Care (CNA), Cancer Indemnity Plan (Aflac), Hospital Intensive Care (Aflac), Long Term Disability (UNUM and American Fidelity), Term Life & AD&D (UNUM), and Accidental Death and Dismemberment (AIG).

Flexible Spending Accounts

Mediflex – Medical Reimbursement Spending Account: Allows you to set aside \$2,500 per calendar year– before paying taxes.

SABC Flex Pharmacy Debit Card – if you participate in Mediflex, you have the option to sign up for the debit card to be used for prescription drug purchases. Instead of sending in receipts, you will swipe your card at most major retailers and your Mediflex account will be automatically debited. The cost is \$.55 cents semi- monthly and is payroll deducted on a tax-free basis. If you're currently enrolled in the Flex Pharmacy Card and want to continue for 2015, your card will be replenished with the 2014 plan year election amount. If you discontinue at any time, do not discard your Flex Card. There is a \$10.00 Flex Card replacement fee if you elect participation again within a five-year period.

Careflex – Dependent Care Assistance Plan – Allows you to set aside up to \$5,000 per calendar year for dependent child and adult care expenses. The money can be used for dependent care for children under age 13 (or over 13 if the child is mentally or physically unable to care for himself/herself) and for elderly persons qualifying as dependents for tax purposes.

IMPORTANT: Direct Deposit IS REQUIRED for Flexible Spending Account Participation. Forms to set up Direct Deposit are available on the HRM Web site: www.hrm.msstate.edu, click on Forms, then on SABC Direct Deposit Form. Fax completed form to SABC, 601.856.8088.

SUPPLEMENTAL RETIREMENT PLANNING

All employees are eligible to enroll in a supplemental retirement plan at any time, not just during Open Enrollment. Supplemental retirement plans include the Mississippi Deferred Compensation Plan and Trust and a Tax Deferred Annuity 403(b). Contributions for these plans are made by the employee only and deducted with pre-tax dollars. There are limits to the contributions employees can make each year, and other restrictions apply. Additional information on supplemental retirement planning can be found at <http://www.hrm.msstate.edu/benefits/retirement/>.
