

## **Human Resources Management Welcomes Aprile Coker**

Aprile Coker joins the Benefits team as our new Benefits Specialist. Aprile comes to MSU from Financial Works, a local financial services company in Columbus, MS. Aprile said that she loves working with people and providing them information so they can make good decisions for their future. Sounds like a great fit to me!

Aprile's undergraduate studies were in Business from the University of South Alabama – Mobile, but also has a passion for art. She designs jewelry and took home a first place award for her booth design at a very large art expo in Biloxi, MS (and it was her first show, y'all).

“Chocolate, salt, nuts or any combination of those” was her answer when I asked what her favorite treat was. Aprile adds to a long line of MSU employees. Her grandmother, grandfather, mom, dad, and uncle all worked at MSU. Aprile also loves to volunteer, especially with 4-H.

Her office is located in the 150 McArthur Hall suite. She would love for you to drop by and say, “Hi.”
