PRE-TAX ELECTION

I understand that eligible benefits offered by Mississippi State University are available to me through payroll deduction under the Pre-Tax Benefit Plan as provided under Section 125 of the Internal Revenue Code (IRC). My salary will be reduced by amounts shown above for the benefit option(s) I have elected and I understand that I must complete an application for coverage for each election. I understand pre-tax elections are not eligible as deductions for federal or state income tax purposes and may reduce social security benefits. Elections are irrevocable for the plan year (Jan. 1 – Dec. 31) except for modifications due to qualified status change(s) (divorce, marriage, death of spouse or dependent, birth or adoption of a child, change of employment status of a spouse, or employee/spouse take an unpaid leave of absence). Such changes must be made within 60 days of the status change date. If the elected insurance benefit(s) premiums are increased or decreased, my salary will automatically adjust to reflect the change. Prior to each plan year, I will be given the opportunity to change my benefits election(s). If I fail to complete and return a new election form within the enrollment period preceding each plan year, I understand my election will remain the same. My employer may reduce or cancel the amount of my salary reduction or modify this agreement to satisfy certain provisions of the IRC. I understand my elected benefits will cease upon termination of employment. This election and salary reduction agreement is subject to the terms of my employer's Cafeteria Plan Document.
