NOTICE OF PROTECTION PROVIDED BY MISSISSIPPI LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the Mississippi Life and Health Insurance Guaranty Association (the "Association") and the protection it provides for policyholders. This safety net was created by Mississippi law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurer becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Mississippi law, with funding from assessments paid by other insurance companies. (For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs).)

The basic protections provided by the Association are:

Life Insurance

- $300,000 in death benefits
- $100,000 in net cash surrender and net cash withdrawal values

Health Insurance

- $500,000 for health benefit plans (see definition below)
- $300,000 in disability income insurance benefits
- $300,000 in long-term care insurance benefits
- $100,000 in other types of health insurance benefits

Annuities

- $250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values.

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $300,000. Special rules may apply with regard to health benefit plans.

"Health benefit plan" is defined in Miss. Code Ann. § 83-23-209 and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance and long-term care insurance (LTCI).

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Mississippi law. Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

To learn more about the above protections, limitations and exclusions, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.mslifega.org, or contact.

Cancellation

We may cancel this Policy, after the first year as of any Premium Due Date, by giving the Policyholder 60 days advance written notice. Except for non-remittance of premium we will not cancel this Policy for the initial 12 months this Policy is in force.

The Policyholder may cancel this Policy at any time by giving us advance written notice. The date of cancellation will be the date specified in such notice or on the last day of the period for which premiums were paid if no date is specified.

The Policyholder is liable to us for any premium not remitted for the time this Policy was in force.

If a premium is not remitted when due, we will cancel this Policy at the end of the last period for which premium was remitted, subject to the Grace Period provision. The Premium Due Date is the Policy Effective date shown on the first page of this Policy and the first day of each month thereafter. The Policyholder has the sole responsibility to notify Covered Persons of such termination.

Cancellation of the Policy or a Covered Person's insurance under the Policy will not influence a Covered Person's right to a claim for benefits which arose prior to the cancellation. Our liability under the Policy is limited to benefits payable for eligible claims incurred prior to the date of cancellation.

Effect of Early Termination

If the Policyholder cancels the Policy or a covered class within 12 months of the Effective Date, then any claim costs, administrative costs, taxes, or other similar items of expense incurred by us or our authorized representative that exceed the premiums paid up to the date of cancellation will be billed directly to the Policyholder.

Grace Period

1. With Respect to the Policy

   A Grace Period of 45 days will be granted for remittance of required premiums due after the first premium, unless:

   a. We do not intend to renew this Policy beyond the period for which premium has been accepted; and

   b. Written notice of our intention not to renew is delivered to the Policyholder at least 30 days before the premium is due.

   This Policy will be in force during the Policy Grace Period. If the required premiums are not remitted during the Policy Grace Period, Insurance will end on the last day of the period for which premiums were paid without further notice to the Policyholder. The Policyholder is liable to us for any premium that has not been remitted for the time this Policy was in force during the Policy Grace Period.

2. With Respect to a Covered Person

   If a Covered Person is billed individually, a Grace Period of 31 days will be granted for payment of required premiums. A Covered Person's Insurance under this Policy will remain in force during the Individual Grace Period. We will reduce any benefits payable for any claims incurred during the Individual Grace Period by the amount of premium due. If no such claims are incurred and premium is not paid during the Individual Grace Period Insurance will end on the last day of the period for which premiums were paid without further notice to the Covered Person. The Covered Person is liable to us for any unpaid premium for the time the Policy was in force during this period.

Premiums

All premium rates are expressed in, and all premiums are payable in, United States currency. The premiums for this Policy will be based on the rates and amounts of Insurance in effect for Covered Persons. We will provide notifications of premiums due, when premiums are due and any change in the premium rate, by mail to the most current address in our files, to the Policyholder.

Premium Payment

The total premium for this Policy is the sum of premiums remitted:

1. By the Policyholder for all Covered Persons other than those described in (2) below, including any amounts contributed toward the cost of this coverage by Covered Persons; and

2. By Covered Persons who are billed individually.

If the Policyholder does not remit any premium collected through payroll deduction when due, this Policy will be cancelled as of the date the unpaid premium was due, except as provided with respect to the Policy in the Grace Period provision.

Changes in Premium Rates

We may change the premium rates from time to time with at least 60 days advance written notice to the Policyholder. No change in rates will be made until 48 months after the Policy Effective Date. An increase in rates will not be made more often than once in a 12 month period. However, we reserve the right to change rates at any time if any of the following events take place:

1. The terms of this Policy change;

2. The number of Covered Persons eligible for coverage increases or decreases by more than 15% since the later of the Policy Effective Date and the date of the last renewal of this Policy;

3. Less than 10 Employees eligible for coverage are insured under this Policy;

4. Coverage is reinstated following failure to pay premium during the Grace Period;

5. Acquisition, merger, consolidation, divestiture, corporate reorganization or purchase or sale of assets affecting, increasing or decreasing by 15% or more the number of eligible individuals;

6. A change in the number of eligible individuals which would, on a manual rate basis, require a change of 15% or more in the premium rate;

7. A change in any federal or state law or regulation is enacted, adopted or amended to the extent that it affects our benefit obligations under this Policy; or

8. The Policyholder fails to provide sufficient information, as required by us, to confirm adequacy of premiums and rates currently being remitted.

Any increase or decrease in rates will take effect on the date of the applicable change specified above. A pro-rata adjustment will apply from the date of the change to the end of any period for which premium has been remitted.

Premium Audit

We will have the right to audit books and records of the Policyholder at its place of business and during regularly-scheduled business hours, in order to determine the accuracy of premium remitted.

CLAIM PROVISIONS

In-Network

A Covered Person must contact an In-Network Provider before receiving services for a Covered Expense. The In-Network Provider will verify his eligibility for Covered Expenses with us or our authorized representative before the examination takes place. The Provider will submit Covered Person's claim directly to us or our authorized representative.

Out-of-Network

When a Covered Person uses an Out-of-Network Provider he must first pay the billed charge and then submit a claim.

1. Notice of Claim - written or authorized electronic/telephonic notice of claim must be given to us within 30 days after a Covered Expense is incurred or as soon as reasonably possible. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written or authorized electronic/telephonic notice was given as soon as was reasonably possible. Notice can be given to us at our Administrative Office, such other place as we may designate for the purpose, or to our authorized representative. Notice should include the Policyholder's name and the Covered Person's name, address, Policy and Policy Number.

2. Claim Forms - we will send claim forms for filing proof of loss when we receive notice of a claim. If such forms are not provided within 15 days after we receive notice, the proof requirements will be met by submitting, within the time fixed in this Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which the claim is made.

3. Proof of Loss - written or authorized electronic proof of loss satisfactory to us must be given to us at our Administrative Office, such other place as we may designate for the purpose, or to our authorized representative within 90 days of the loss for which claim is made.

   If (a) benefits are payable as periodic payments and (b) each payment is contingent upon continuing loss, then proof of loss must be submitted within 90 days after the termination of each period for which we are liable. If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to lack of legal capacity.

4. Payment of Claims - we will pay benefits within 25 days of receipt of satisfactory written proof of loss if the claim was submitted electronically or within 35 days of receipt of satisfactory written proof of loss if the claim was sent by paper format. All accrued benefits which are not paid within that stated limit will be considered past due and we will pay interest on those past due amounts at the rate of one and one-half percent (1 1/2%) for each month they remain past due. If benefits are not paid when due, the insured has the right to bring a legal action to recover those benefits and any interest which may accrue as well as any other damages allowable by law.

   All benefits will be paid in United States currency. All benefits payable under this Policy, unless otherwise stated, will be payable to the Covered Person or to his estate.

   If we are to pay benefits to the Covered Person's estate or to a person who is incapable of giving a valid release, we may pay up to $1,000 to a relative by blood or marriage that we believe is equitably entitled. Any payment made by us in good faith pursuant to this provision will fully discharge us to the extent of such payment and release us from all liability.

Legal Actions

No action at law or in equity may be brought to recover under this Policy less than 60 days after written or authorized electronic proof of loss has been furnished as required by this Policy. No such action will be brought more than three years after the time such written proof of loss must be furnished.

Recovery of Overpayment

If benefits are overpaid, we have the right to recover the amount overpaid by either of the following methods:

1. A request for lump sum payment of the overpaid amount.

2. A reduction of any amounts payable under this Policy.

If there is an overpayment due when the Covered Person dies, we may recover the overpayment from the Covered Person's estate.

Entire Contract; Changes

This Policy, including the application (if any), endorsements, amendments and any attached papers constitutes the entire contract of Insurance. No change in this Policy will be valid until approved by one of our executive officers and endorsed on or attached to this Policy. No agent has authority to change this Policy or to waive any of its provisions.

Misstatement of Fact

If a Covered Person has misstated any fact, all amounts payable under this Policy will be such as the premium paid would have purchased had such fact been correctly stated.

Certificates

We will provide an electronic copy of the Certificate of Insurance to the Policyholder for distribution by the Policyholder to their covered Employees. The Certificate will list the benefits, conditions and limits of this Policy. It will state to whom benefits will be paid.

Assignment

The rights and benefits under this Policy may be assigned under certain circumstances. Any Covered Person that wants to make an assignment of his Insurance should see the Policyholder for the conditions and further information.

We assume no responsibility for the validity, sufficiency, or effect of any assignment of a Covered Person’s Insurance (including an assignment on a form furnished by us or by the Policyholder).

Incontestability

All statements made by the Policyholder to obtain this Policy are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, or to deny the validity of this Policy unless a copy of the instrument containing the statement is, or has been, furnished to the Policyholder. After two years from the Policy Effective Date, no such statement will cause this Policy to be contested except for fraud.

Reporting Requirements

The Policyholder or its authorized agent must report all of the following to us by the Premium Due Date:

1. the number of persons insured on the Policy Effective Date;

2. the number of persons who are insured after the Policy Effective Date;

3. the number of persons whose Insurance has terminated;

4. any additional information required by us.

Clerical Error

A Covered Person's Insurance will not be affected by error or delay in keeping records of Insurance under this Policy. If such error or delay is found, we will adjust the premium fairly.

Conformity with Statutes

Any provisions in conflict with the requirements of any state or federal law that applies to this Policy are automatically changed to satisfy the minimum requirements of such laws.

Compensation Insurance

This Policy is not in place of and does not affect any requirements for coverage under any Workers' Compensation, Occupational Disease or similar law.

Incorporation

The provisions of the Certificates issued to the Policyholder, all endorsements and riders, and all endorsements and riders issued to amend this Policy after its effective date are made a part of this Policy.

SCHEDULE OF BENEFITS

Subject to the terms of the Policy, benefits are payable per Covered Person as shown in the Schedule of Benefits.

A Covered Person may use the Provider of their choice. There are two types of Providers - those that are part of the Network (In-Network Providers) and those that are not part of the Network (Out-of-Network Providers). The payment of benefits varies depending on the type of Provider chosen.

When services or Materials are received from a Provider who is part of the Network, you are responsible for:

1. The Copayment, if a cash payment is due the Provider; or

2. If an Allowance is provided - the difference between the Allowance and the Allowable Charge. We will pay the dollar amount of the Allowance or the Allowable Charge, if less. If the Allowable Charge is more than the Allowance an In-Network Provider may bill you for the difference. Most In-Network Providers will offer an additional discount to help with any overage; or

3. If only a Discount is provided - the difference between the Discount and the Allowable Charge. If the Allowable Charge is less than the Discount we will pay the Allowable Charge. If the Allowable Charge is less than the Discounted cost an In-Network Provider may bill you for the difference.

Benefits for services or Materials received from a Provider outside of the Network are shown in terms of the dollar amount we will pay you for that service or Material. If you use an Out-of-Network Provider your total responsibility is the difference between the Reimbursement and the Provider's Actual Charge - we will pay the dollar amount of the Reimbursement for that service or Material or the Provider's Actual Charge if less. An Out-of-Network Provider may bill you for the difference.

You will not be paid a separate benefit, charged an additional Copayment or incur any additional cost for any item listed as "Included" or "Included – no Copayment".

Davis Vision Collection

In lieu of the frame Allowance, Covered Persons may choose to select any frame from the Davis Vision's Collection. The Collection is available at most participating independent provider offices and features three levels of frames.

In lieu of the non-Collection contact lens Allowance, Members may be fitted with contact lenses from the Davis Vision Collection. Contact lenses from the Davis Vision Collection include the evaluation, fitting and follow-up care.

Examination

An Exam or Eye examination includes (but is not limited to):

- Case history – chief complaint, eye and vision history, medical history
- Entrance distance acuities
- External ocular evaluation including slit lamp examination
- Internal ocular examination
- Tonometry
- Distance refraction – objective and subjective
- Binocular coordination and ocular motility evaluation
- Evaluation of pupillary function
- Biomicroscopy
- Gross visual fields
- Assessment and plan
- Advising on matters pertaining to vision care
- Form completion – school, motor vehicle, etc.
- Dilated Fundus Examination (DFE) (diagnostic procedure used in the detection and management of diabetes, glaucoma, hypertension and other ocular and/or systemic diseases) when professionally indicated.

Visually Required Contact Lenses

Visually Required contact lenses will only be covered when the treating Provider has determined that a Covered Person has a "chronic visual disturbance." For the purposes of this section, chronic visual disturbance means a physiologic change in a Covered Person's vision either innate or acquired that inhibits the Covered Person's ability to achieve functional vision with spectacles such that a Visually Required contact lens is required to achieve the minimum functional vision needed to carry out normal daily activities. Chronic visual disturbance may include the following conditions: Keratoconus, Myopia, progressive or malignant, Hyperopia, Anisometropia, Aniseikonia, Aphakia, Aniridia or Irregular Astigmatism.

Visually Required contact lenses are available only if the treating Provider sends a completed request and supporting documentation showing a diagnosis of one of the foregoing conditions to Davis Vision before the lenses are initially ordered. The Visually Required contact lenses are subject to the maximum benefit Allowance per Frequency period. The Covered Person's benefit is paid in full up to the maximum Allowance during each Frequency period. Any amount due over the Allowance for such lenses during the Frequency period is the Covered Person's responsibility.

Visually Required contact lenses are subject to prior approval. If advance approval for the initial Visually Required contact lenses is not obtained, the standard contact lens benefit may be applied if available. This limitation will not apply if it is shown that it was not reasonably possible to submit the request for approval.

Contact lens evaluation, fitting and follow-up care applies to standard daily wear, disposable, planned replacement, specialty and the Visually Necessary contact lens benefit.

Low Vision Program

Low vision is a significant loss of vision, but not total blindness. Ophthalmologists and optometrists specializing in low-vision care can evaluate and prescribe optical devices, and provide training and instruction to maximize the Covered Person's remaining useable vision.

A comprehensive low vision evaluation is performed in addition to an eye examination when the eye examination indicates a need for such an evaluation. This supplemental evaluation includes a history of functional difficulties that involves daily activities. The result of this evaluation may include prescription of various treatments options, including low vision aids, as well as assist the Covered Person with identifying other resources for vision and lifestyle rehabilitation.

The Low Vision Program is available both in and out of network and is subject to prior approval. A completed request must be sent to Davis Vision prior to the initial evaluation. Once approved, a Covered Person is eligible for a comprehensive low vision evaluation and follow-up visits up to the maximum for such evaluation and visits shown above. Low vision aids will be provided as prescribed up to the maximum per aid, subject to the lifetime maximum for all aids shown above. Any amount due over the Allowance above for an evaluation, follow-up visits or aids is the Covered Person's responsibility. If the required approval is not obtained, no benefits will be paid for any such evaluation, follow-up visits or aids and the entire charge for such services or supplies will be the Covered Person's responsibility. This limitation will not apply if it is shown that it was not reasonably possible to submit the request for approval.

Mail Order Replacement Contact Lens Program

Davis Vision's mail order contact lens replacement service is powered by ABB Optical Group. By accessing www.davisvisioncontacts.com, Davis Vision Members can easily order replacement contact lenses at a discount and have them shipped directly to their doorstep.

DEFINITIONS

Please note that certain words used in this Certificate have specific meanings. Other than references to he, him, his, you, your, yours, we, us or our, the words defined below and capitalized within the text of this Certificate have the meanings set forth below.

Allowable Charge means the amount negotiated between an In-Network Provider and us or our authorized representative as full payment for a Covered Expense shown in the Schedule of Benefits received or purchased by a Covered Person.

Allowance means a flat dollar amount payable under the Policy towards a Covered Expense from an In-Network Provider. Allowances are shown in the Schedule of Benefits. If the Providers charge is less than the Allowance we will only pay up to the Providers charge.

Average Retail Price means the charge made by other Providers rendering or furnishing vision care, treatment or supplies within the same geographic area.

We will base our determination of the retail price within a geographical area on a study or survey done to determine such charges. Consideration will be given to the nature and severity of the condition being treated including any complications which require additional time, skill, treatment or expertise.

Certificate means the document issued for delivery to the Covered Person that lists the benefits, conditions and limits of the Policy.

Child or Children means your or your Partner's natural or step Child who is under 26:

If your Child becomes incapable of self-support due to a developmental disability or physical handicap before reaching the limiting age his coverage may be continued. To continue the Child's coverage we must receive proof of incapacity within 31 days after coverage would otherwise terminate.

This Insurance will continue for as long as the Employee's Insurance stays in force and the Child remains incapacitated. Additional proof may be required from time to time but not more often than once a year.

This term includes a Child who:

1. Is living with you or your Partner in a parent Child relationship; or

2. Is adopted by or placed for adoption with, or is party in a suit for adoption by, you or your Partner; or

3. Is required to be provided coverage by you or your Partner under the terms of a Qualified Medical Child Support Order (QMCSO). Collection means Davis Vision's frame or contact lens Collection shown in the Schedule of Benefits.

Copayment means the amount a Covered Person is required to pay to the Provider prior to an eye examination or toward the cost of Materials. Copayments are shown in the Schedule of Benefits.

3. An additional exam, frame, pair of spectacle lenses or contact lenses for which you have already received either an “In-Network Benefit” or an “Out-of-Network Benefit” during any one Frequency period; or

4. More than one type of contact lens at a time during any one Frequency period; or

5. The fitting and follow-up care or adjustments to eyeglasses (frames and spectacle lenses - including Additional In-Network Items) or contact lenses (including evaluation, fitting and follow-up care) if vision correction is not recommended by a Provider following an eye examination.

If you do not re-enroll yourself and your Dependents within 31 days of the date you return to Active Service from a military leave you must wait until the next Enrollment Period or a Life Event to enroll.

If a Dependent’s Insurance ends because he becomes a full time member of the armed forces of the United States that person may be re-enrolled if eligible provided he is re-enrolled within the applicable time period specified in the Uniform Services Employment and Reemployment Rights Act (USERRA). CLAIM PROVISIONS

In-Network

A Covered Person must contact an In-Network Provider before receiving services for a Covered Expense. The In-Network Provider will verify his eligibility for Covered Expenses with us or our authorized representative before the examination takes place. The Provider will submit Covered Person's claim directly to us or our authorized representative.

Out-of-Network

When a Covered Person uses an Out-of-Network Provider he must first pay the billed charge and then submit a claim.

1. Notice of Claim - written or authorized electronic/telephonic notice of claim must be given to us within 30 days after a Covered Expense is incurred or as soon as reasonably possible. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written or authorized electronic/telephonic notice was given as soon as was reasonably possible. Notice can be given to us at our Administrative Office, such other place as we may designate for the purpose, or to our authorized representative. Notice should include the Policyholder's name and the Covered Person's name, address, Policy and Policy Number.

2. Claim Forms - we will send claim forms for filing proof of loss when we receive notice of a claim. If such forms are not provided within 15 days after we receive notice, the proof requirements will be met by submitting, within the time fixed in this Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which the claim is made.

3. Proof of Loss - written or authorized electronic proof of loss satisfactory to us must be given to us at our Administrative Office, such other place as we may designate for the purpose, or to our authorized representative within 90 days of the loss for which claim is made.

   If (a) benefits are payable as periodic payments and (b) each payment is contingent upon continuing loss, then proof of loss must be submitted within 90 days after the termination of each period for which we are liable. If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to lack of legal capacity.

4. Payment of Claims - we will pay benefits within 25 days of receipt of satisfactory written proof of loss if the claim was submitted electronically or within 35 days of receipt of satisfactory written proof of loss if the claim was sent by paper format. All accrued benefits which are not paid within that stated limit will be considered past due and we will pay interest on those past due amounts at the rate of one and one-half percent (1 1/2%) for each month they remain past due. If benefits are not paid when due, the insured has the right to bring a legal action to recover those benefits and any interest which may accrue as well as any other damages allowable by law.

   All benefits will be paid in United States currency. All benefits payable under this Policy, unless otherwise stated, will be payable to the Covered Person or to his estate.

   If we are to pay benefits to the Covered Person's estate or to a person who is incapable of giving a valid release, we may pay up to $1,000 to a relative by blood or marriage that we believe is equitably entitled. Any payment made by us in good faith pursuant to this provision will fully discharge us to the extent of such payment and release us from all liability.

Right to Receive and Release Needed Information

We have the right to obtain or give information needed to coordinate benefit payments with other plans. This can be from or to any other insurance company, organization or person, subject to the consent of the Covered Person. Any Covered Person claiming benefits must furnish us with the necessary information needed to coordinate benefit payments.

Right to Make Payments

We have the right to pay any other organization, as needed, to properly carry out this provision. Any such payments made in good faith are considered benefits paid under the Policy, and fully discharge our liability, to the extent of such payments.

Right to Recovery

We have the right to retrieve any excess amounts that may have been paid out should they exceed the provisions of the Policy. This can be from the Covered Person for whom the payments were made. It can also be from any other insurance company or organization.

Review

If the claim is wholly or partly denied, our notice will include:

1. Reasons for such denial;

2. Reference to specific Certificate provisions, rules or guidelines on which the denial was based;

3. A description of the additional information needed to support your claim;

4. Information concerning your right to request that we review our decision; and

5. A description of our review procedures, time limits and notice of your right to bring civil action.

This request must be in writing and must be received by us no more than 180 days after you receive notice of our claim decision. As part of this review, you may:

1. Send us written comments;

2. Review any non-privileged information relating to your claim; or

3. Provide us with other information or proof in support of your claim.

We will review your claim promptly after receiving your request. We will advise you of the results of our review within 60 days after we receive your request, or within 120 days if there are special circumstances that require more time (such as the need to hold a hearing). Our decision will be in writing and will include reference to specific policy provisions, rules or guidelines on which the decision was based, and notice of your right to bring a civil action.

Claimant Cooperation

Failure of a claimant to cooperate with us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Administration

The Policyholder has given us the authority to review claims for the benefits provided by this Policy and for deciding appeals of denied claims. In this role we shall have the authority, in our discretion, to interpret the terms of the Policy, to decide questions of eligibility for coverage or benefits under the plan, and to make any related findings of fact. All decisions made by us in this capacity shall be final and binding on participants and beneficiaries of the plan to the full extent permitted by state and federal law.

We will have no responsibility with respect to the administration of the benefit provided by this Policy except as described above. It is understood that our sole liability to the Policyholder and Covered Persons under the Policy shall be for the payment of benefits provided under this Policy.

We may contract with another entity to perform this function on our behalf.

Legal Actions

No action at law or in equity may be brought to recover under this Policy less than 60 days after written or authorized electronic proof of loss has been furnished as required by this Policy. No such action will be brought more than three years after the time such written proof of loss must be furnished.

Recovery of Overpayment

If benefits are overpaid, we have the right to recover the amount overpaid by either of the following methods:

1. A request for lump sum payment of the overpaid amount.

2. A reduction of any amounts payable under this Certificate.

If there is an overpayment due when the Covered Person dies, we may recover the overpayment from the Covered Person's estate.

ADMINISTRATIVE PROVISIONS

If a premium is not paid when due, we will cancel this Policy at the end of the last period for which premium was paid, subject to the Grace Period provision. Premium Due Dates are shown in the Schedule of Benefits. The Policyholder has the sole responsibility to notify Covered Persons of such termination.

Contributions

You may be required to contribute toward all or part of your and your Dependent's Insurance under the Policy. If so, you must agree to:

1. Have all or a portion of the cost of both your Insurance and your Dependent's Insurance deducted from your pay; or

2. Remit all or a portion of the cost of both your Insurance and your Dependent's Insurance directly to the Policyholder; or

3. Remit the entire cost of both your Insurance and your Dependent's Insurance directly to us or our authorized representative. A Covered Person may elect to pay any premium billed directly monthly, quarterly, semi-annually or annually.

Direct Billing

If you are being billed directly you will receive a request for payment from us or our authorized representative on or before the premium due date. The premium due date will be shown on the request for payment. You should pay the amount due on or before the premium due date. Payment of the entire premium as it becomes due will maintain the Covered Person’s Insurance in force through the date immediately before the next premium due date.

There is a 31 day grace period for remittance of premium billed directly. If you do not pay the premium on or before the premium due date, you may pay the premium during this 31 day period. A Covered Person’s Insurance under the group Policy will remain in force during the grace period. If premium is not remitted before the end of the grace period, the Covered Person’s Insurance will terminate automatically at 12:01 A.M. on the last day for which premium was paid.

Termination of a Covered Person’s Insurance for nonpayment of premiums billed directly will not influence a Covered Person’s right to a claim for benefits which arose prior to the termination. Our liability under the Policy is limited to benefits payable for eligible claims incurred prior to the date of termination.

GENERAL PROVISIONS

Assignment

The rights and benefits under this Policy may be assigned under certain circumstances. Any Covered Person that wants to make an assignment of his Insurance should see the Policyholder for the conditions and further information.

We assume no responsibility for the validity, sufficiency, or effect of any assignment of a Covered Person's Insurance (including an assignment on a form furnished by us or by the Policyholder).

Incontestability

All statements made by a Covered Person are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim unless a copy of the instrument containing the statement is, or has been, furnished to the claimant. In the event of a claimant's death or incapacity, his applicable representative shall be given a copy.

After two years from a Covered Person's effective date of Insurance, or from the effective date of increased benefits, no such statement will cause Insurance or the increased benefits to be contested except for fraud.

Clerical Error

A Covered Person's Insurance will not be affected by clerical error or delay in keeping records of Insurance under the Policy. If such error or delay is found, we will adjust the premium fairly.

Conformity with Statutes

Any provisions in conflict with the requirements of any state or federal law that applies to the Policy are automatically changed to satisfy the minimum requirements of such laws.

Compensation Insurance

The Policy is not in place of and does not affect any requirements for coverage under any Workers' Compensation, Occupational Disease or similar law.
