### **HOW PAYMENTS ARE MADE**

You can choose a one-time lump-sum benefit of 50% of the life insurance benefit amount; or You can receive up to 25 periodic payments equal to 4% of the life insurance benefit amount.

If any periodic payments have been made for a chronic condition and you later request a lump-sum payment for the same insured person, the amount payable will be minus any amount paid for a chronic condition under the periodic payment method. If a lump-sum payment has been made for a chronic condition, no further benefit will be payable under the rider and coverage under the rider will end for the insured person.

Whenever a payment is made under the rider, the amount of the death benefit payable under the plan will automatically be reduced by the amount paid under the rider.
