MISSISSIPPI STATE UNIVERSITY

Salary Reduction Agreement Instructions (Revised 11/2019)

General: These instructions have been established to expedite the processing of the Salary Reduction Agreement (SRA). All tax-deferred investment new enrollments, restarts, changes, and stops require completion of the SRA. The completed SRA should be returned to the Department of Human Resources Management, Box 9603, Mississippi State, MS, 39762 or be delivered to 150 McArthur Hall. The SRA is an agreement between the Employee and Mississippi State University (MSU). The income deferral is in the form of a voluntary salary reduction from gross pay (called a "salary deferral contribution"). The salary deferral contribution amount is invested with a financial institution ("vendor") in an account established in the Employee's name. MSU enters agreements with vendors that offer investment products (annuity contracts or custodial accounts) that are permissible funding vehicles for plans subject to section 403(b) of the Internal Revenue Code ("IRC"). State and federal income taxes are withheld only on salary after the reduction. Other withholdings, deductions, and contributions including Social Security taxes apply to gross pay before any salary reduction. Court ordered deductions for pay (e.g., garnishments) are based on gross pay; they are not affected by income deferral. The SRA is applicable to all MSU compensation earned in any one or more departments. For assistance in completing this form, employees should consult representatives of their selected vendor or a financial advisor to determine the correct deferral amount, including special elections.

Maximum permissible deferrals, subject to the IRC 402(g) General Limit and the Age 50 Catch-Up Election (IRC 414(v)), are shown in the table below. Your deferral contribution election can only apply to compensation from MSU that has not yet been earned or received. Your deferral amount for any pay period cannot exceed 100% of your pay for that pay period. Contact the IRS or visit the IRS website at http://www.irs.gov/retirement/ for publications explaining applicable rules.

Maximum Annual Deferrals				
Age as of 12/31/2019	General Limit IRC 402(g)	Age 50 Catch-Up Limit IRC 414(v)	2020 Combined Deferral Limit	
Under Age 50	\$19,500	N/A	\$19,500	
Age 50 or Older	\$19,500	\$6,500	\$26,000	

Employee is fully responsible for all computations regarding the salary reduction. IRS Publications provide information on the maximum amounts that may be contributed to the plan in any given year. Consult a vendor representative, a financial advisor, or the IRS for advice.

Your salary deferral contribution election will be processed on the first payroll period during the month if your properly completed SRA is received by HRM on or before the first day of the month. If your SRA is received by HRM between days 2-15, it will be processed on the second payroll period.

The salary reduction(s) specified on this form will continue until participation is revoked or the deferral election or vendor selection changed by execution of a new salary reduction agreement.

Salary reduction amounts may be allocated to one or more MSU-approved vendors. For a current list of approved vendors, visit the HRM website http://www.hrm.msstate.edu/benefits/retirement/supplemental/annuity/ or contact HRM.

Employee assumes full responsibility for the tax, processing, and investment consequences of the SRA, and releases the State of Mississippi, Institution of Higher Learning (IHL) and MSU employees from any liability for financial loss resulting from any calculations or from selection of a vendor or its investment vehicles, from incorrect evaluation of tax-deferred status, from processing delays or errors, from discontinuance of present legislation affecting such benefits, and from incorrect advice received from any approved vendor, its employees or representatives.

The Employee and the Agent authorize the action requested on the SRA by signing and dating the form.
